

## HOLME VALLEY VISION - HOLMFIRTH FUTURE – QUESTIONNAIRE

### BACKGROUND

The initial Kirklees plan for Holmfirth Town Centre has been stopped. However, **with the production of a revised Town Centre Access Plan** the consultation on and **discussion of Holmfirth Town Centre's Future is now even more important.**

Holme Valley Vision (HVV) is taking a lead in gathering details about **what, exactly, people want** and is asking individuals, business people and community groups to take part.

### PROCESS

**Stage 1 - Data collection**

**Stage 2 - Action plan** – this will be drawn up in collaboration with Parish Council and Kirklees, by a working group drawn from HVV and from any other groups wishing to make a positive contribution to the process

**Stage 3 - Practical activities !!! Getting things done.**

The data collection stage starts with gathering responses to the survey below, so please complete it as follows:

- **PICK THREE ISSUES which you consider to be your highest priorities**  
[If you really want to comment on more than three then please feel free to do so]
- Comment as fully, specifically and concisely as possible on the ones you choose
- Use an additional sheet if necessary
- Please **write any feedback on any aspect of this questionnaire**, and the whole programme, at the end of the form.

**YOUR HELP WITH THIS IS MUCH APPRECIATED.**
